**Rule 850. UNIFORM BAIL and PENALTY SCHEDULES**

**TRAFFIC, BOATING, FISH and GAME, FORESTRY,  
PUBLIC UTILITIES, PARKS and RECREATION, BUSINESS LICENSING.**

The Judicial Council of California has established the policy of promulgating uniform bail and/or penalty schedules for certain offenses in order to achieve a standard of uniformity in the handling of these offenses.

In general, bail is used to assure the presence of the defendant before the Court. Pursuant to Vehicle Code Sections 40512 and 13103, bail may also be forfeited and such forfeiture may be had without the necessity of any further court proceedings and treated as a conviction for specified Vehicle Code offenses. A penalty in the form of a monetary sum is a fine imposed as all or a portion of a sentence imposed.

To achieve substantial uniformity of bail and penalties throughout the state in traffic, boating, fish and game, forestry, public utilities, parks and recreation, and business licensing cases, the municipal and justice court judges, in performing their duty under section 1269(b) of the Penal Code to meet annually to revise and adopt, before the first day of January, a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions and shall give consideration to the Uniform Bail and Penalty Schedules approved by the Judicial Council. The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code shall be established by the Judicial Council in accordance with Section 40310 of the Vehicle Code. Judges shall give consideration to requiring additional bail for aggravating or enhancing factors.

The judge who calls the annual meeting, pursuant to section 1269(b) of the Penal Code shall, as soon as practicable after the meeting, mail a copy of the schedule to the Judicial Council with a report stating how the revised schedule differs from the council's Uniform Traffic Bail and Penalty Schedule, Uniform Boating Bail and Penalty Schedule, Uniform Fish and Game Bail and Penalty Schedule, Uniform Forestry Bail and Penalty Schedule, Uniform Public Utilities Bail and Penalty Schedule, Uniform Parks and Recreation Bail and Penalty Schedule, or Uniform Business Licensing Bail and Penalty Schedule.

The purpose of this uniform bail and penalty schedule is to:

1) show the standard amount for bail, which for Vehicle Code offenses may also be the amount utilized for a bail forfeiture in lieu of further proceedings; and,

2) serve as a guideline for the imposition of a fine as all or a portion of the penalty for a first conviction of a listed offense where a fine is used as all or a portion of the penalty for such offense. The amounts shown for the misdemeanors on the Boating, Fish and Game, Forestry, Public Utilities, Parks and Recreation and Business Licensing Bail and Penalty Schedules have been set with this dual purpose in mind.

Unless otherwise shown, the maximum penalties for the listed offenses are 6 months in the County Jail or a fine of \$1,000, or both. The penalty amounts are intended to be used to provide standard fine amounts for a first offense conviction of a violation shown where a fine is used as all or a portion of the sentence imposed.

# PREFACE

## I. Section and Offense

- A. Historically, only those offenses most often filed in municipal and justice courts were included in the Uniform Bail and Penalty Schedules. Assembly Bill 1344 (Isenberg) Chapter 696 effective September 15, 1992 amended Section 1269(b) of the Penal Code, and Section 40310 of the Vehicle Code, to require the Judicial Council to establish a schedule for infractions of the Vehicle Code. The Judicial Council approved the first Traffic Infraction Bail and Penalty Schedule in November, 1992.
- B. The letter "M" designates a misdemeanor: a crime punishable, at the discretion of the court, by imprisonment in a county jail for a period of no longer than 6 months or by a fine not exceeding \$1000 or by both (Penal Code section 19).
- C. The letter "I" designates an infraction: a violation of a law, not punishable by imprisonment, but by a fine generally ~~not exceeding~~ \$100 for violations of the Vehicle Code (Vehicle Code section 42001) or \$250 for violations of other codes (Penal Code section 19(e)).

## II. Base Bail

The "Base Bail" indicated is the amount from which the "additional penalties" required by Penal Code section 1464 and Government Code section 76000 are calculated.

### III. Additional Penalties

- A. An "additional penalty" of \$17 (\$10 state penalty required by Penal Code section 1464 and \$7 county penalty ~~requi~~ by Government Code section 76000) shall be levied upon every \$10 or fraction thereof, of every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses.
- B. Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of "additional penalties" is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the "additional penalties" shall be reduced in proportion to the amount of suspension.

### IV. Total Bail

- A. Effective January 1, 1989, the Judicial Council adopted a "Total Bail" concept in an effort to obtain statewide consistency in the "bail" policies of the courts. The indicated "Total Bail" is for the first offense and it must be followed to the extent required by Penal Code section 1269(b).
- B. Except for the following exceptions, counties must adhere to the Judicial Council's "Traffic Infraction Bail and Penalty Schedule" for infraction violations of the Vehicle Code (Penal Code section 1269(b) and Vehicle Code section 40310).

Penal Code section 1463.28 provides that 30 counties may exceed the "Total Bail" amounts of the Traffic Infraction Bail and Penalty Schedule. Those counties are:

1. Alpine	11. Lassen	21. San Joaquin
2. Amador	12. Los Angeles	22. Santa Clara
3. Butte	13. Madera	23. Sierra
4. Calaveras	14. Mariposa	24. Stanislaus
5. Contra Costa	15. Mendocino	25. Sutter
6. Del Norte	16. Modoc	26. Trinity
7. Fresno	17. Mono	27. Tulare

8. Humboldt	18. Plumas	28. Tuolumne
9. Kings	19. San Benito	29. Yolo
10. Lake	20. San Diego	30. Yuba

Additional exceptions result from two pieces of legislation which became operative January 1, 1994:

1) Vehicle Code Section 42001 allows universities and state colleges to set a fine schedule for bicycle violations which occur in their jurisdictions which would supersede the Judicial Council Penalty Schedule.

2) Vehicle Code Section 42009 requires that for any specified offense committed within a highway construction or maintenance area during hours when work is being performed the fine shall be double in the case of misdemeanors and for infractions shall be one category higher than otherwise provided in the uniform traffic penalty schedule. An Appendix with the specified offenses listed and the enhanced amounts is found following the Traffic portion of the Bail and Penalty Schedules starting on page 34.

3) Chapter 841, Statutes 1995, adds Section 42010 to the Vehicle Code. It requires that the fine shall be double in the case of misdemeanors and for infractions shall be one category higher than otherwise provided in the Uniform Traffic Penalty Schedule for any specified offense committed in a safety enhancement zone. The safety enhancement zones are: (1) in Solano and Sonoma counties on Route 37, between the intersection with Route 12 and the intersection with Route 29, (2) in Contra Costa county on Route 4, between the intersection with Cummings Skyway and the intersection with Route 80, and (3) Route 74, between the intersection with Route 5 and the intersection with Riverside-Orange County line.

The "Categories" indicated in the Traffic Infraction Bail and Penalty Schedule, as a result of Chapter 674, will be shown as "2a" and "2b", "3a" and "3b", and "4a" and "4b", with the "b" sub-category referring to the violation when committed in a highway construction or safety enhancement zones.

- C. The "Total Bail" amounts within the Uniform Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, and Business Licensing Bail Schedules are **suggested amounts** and their adoption by courts is not compulsory.

- D. The "Total Bail" amount indicated includes the base bail and those "additional penalties" required by Penal Code section 1464 and Government Code section 76000. Any other "assessment" adopted by a court shall ~~added to~~ be the "Total Bail"; i.e. "Night Court:" (Vehicle Code section 42006), "Record of Priors" check (Vehicle Code section 40508.6), etc. Other mandatory assessments may also be applicable, especially in DUI cases.

AB 3424 -- Chapter 1215, Statutes 1994, authorizes a \$15 penalty to be collected ~~in addition~~ to the fine and penalties normally collected for violations of the Fish and Game Code, to be deposited in the Fish and Game Preservation Fund and disbursed as specified.

- E. "Total Bail" shall not exceed statutory limits. Vehicle Code section 40310 specifies that the "fine" amount of the total bail shall not exceed the limitations specified by Vehicle Code sections 42001 and 42001.5.
- F. In cases where a court appearance is required by a court, the amounts set forth in Rule 850 do not necessarily indicate the appropriate total penalties; rather they assure that, in most cases, when bail is posted, sufficient funds will be available to meet the defendant's obligations. Upon conviction, however, "additional penalties" are added to any fine. It is incumbent upon the judge who hears each case to determine the proper total penalty (fine and "additional penalties") based upon the particular facts presented.

With the exception of juveniles under age 18, there shall be no mandatory court appearance for any infraction of the California Vehicle Code punishable by fine only, unless a statutory driver's license sanction is involved. This does not apply to violations of local ordinances based on Vehicle Code sections, or to speeding violations of 26 mph or more above the speed limit.

- G. The "Total Bail" for an offense not specifically listed in the Uniform Traffic Infraction Bail and Penalty Schedule is that amount set for the general category of that offense. The suggested "Total Bail" for an offense ~~not specifically listed~~ in the Uniform Traffic Misdemeanor Bail and Penalty Schedule, Uniform Boating, Fish and Game, Forestry, Parks and Recreation or Business

Licensing Bail and Penalty Schedules is:

	Base	+	Additional Penalties	=	Total Bail/Penalty
Misdemeanor	\$ 75	+	\$ 136	=	\$ 211
Infraction	\$ 35	+	\$ 68	=	\$ 103

The suggested "Total Bail" for an offense **not specifically listed** in the Uniform Public Utilities Bail and Penalty Schedule is:

Misdemeanor	\$ 181	+	\$ 323	=	\$ 504
-------------	--------	---	--------	---	--------

## V. Bail Categories

Assembly Bill 1344 (Isenberg) Chapter 696 effective September 15, 1992 amended Vehicle Code section 40310 to classify Vehicle Code offenses into four or fewer penalty categories, according to the severity of the offenses.

The Judicial Council has approved the following categories of bail/fine after considering suggestions from its Traffic Standing Advisory Committee and the recommendations made by the National Center for State Courts:

	Base	Additional	
	<u>Fine</u>	<u>Penalties</u>	<u>Total</u>
Category 1 Bicyclist and Pedestrian Offenses	\$ 20	+ \$ 34	= \$ 54
Parking Offenses	\$ 20	not applicable	= \$20
Category 2 Vehicle Registration and Equipment Offenses	\$ 25	+ \$ 51	= \$ 76
Category 3 Driver's License and "Rules of the Road" Offenses	\$ 35	+ \$ 68	= \$103
Category 4 Miscellaneous offenses for which the penalties are specifically set by the Vehicle Code, and Speeding Offenses (refer to Speed Chart).			

Chapter 243, Statutes of 1995 permits Vehicle Code Section 14610.5 to be charged as either an infraction or a misdemeanor. Penal Code Section 19.8 permits the following offenses to be charged as either an infraction or a misdemeanor: Vehicle Code sections

12500(a), 14601.1, 23109, 27150.1, 40508 and 42005. If one of these offenses is charged as an infraction, the appropriate penalty is listed in the "Traffic Infraction Bail and Penalty Schedule". If the offense is charged as a misdemeanor, the recommended penalty is listed in the "Traffic Misdemeanor Penalty and Bail Schedule".

## VI. Point Count

Vehicle Code sections 12810 and 12810.2 determine the amount of point count. Section 12810.5 of the Vehicle Code defines a "negligent operator" based on point count. The Department of Motor Vehicles may take an administrative sanction against a person's driving privilege based on "points" (V.C. 12810.5).

## VII. Prior Convictions

- A. The penalty for a Vehicle Code offense shall be enhanced by \$10 for each "prior" conviction within 36 months of the new alleged offense. For the purpose of penalty enhancement, a "prior" is any conviction of a Vehicle Code offense for which a "point" has been assigned per Vehicle Code sections 12810 and 12810.2. A conviction for only one violation arising from one occasion of arrest or citation shall be counted as a "prior".

While Vehicle Code section 42001 references maximum fines within a one year time frame, the Judicial Council has interpreted section 42001 to not preclude a court from considering "prior" convictions for a longer period of time.

The period of 36 months was adopted by the Judicial Council (effective January 1, 1989) to correspond to and reinforce Vehicle Code sections 12810 and 12810.5. These sections define the "point system" used by the Department of Motor Vehicles *as prima facie* evidence of the negligent operation of a motor vehicle.

Vehicle Code sections 15306 and 15308 specify penalties for commercial drivers in terms of subsequent offenses occurring within three years.

- B. In the case of an owner responsibility citation, the "prior" must relate to the particular vehicle for which the new offense is charged.
- C. Vehicle Code section 42004 provides that the court, in determining a penalty to be imposed pursuant to Vehicle Code, may use a written report from the Department of Motor Vehicles that contains information showing prior convictions.
- D. With the exception of parking, pedestrian, and bicycle offenses, Vehicle Code section 40508.6 authorizes courts to establish a \$10 administrative assessment for recording and maintaining a defendant's record of "priors".

## **VIII. Traffic Violator School**

- A. Vehicle Code section 42007 provides that:
  - 1) the court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform county-wide bail schedule.
  - 2) where multiple offenses are charged on a single notice to appear, the "total bail" amount collected is the amount applicable to the greater of the eligible offenses.
  - 3) the court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.
- B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited, if the defendant fails to submit proof of school completion within the time ordered by the court.

- C. Vehicle Code section 42007.1 provides that a \$24 fee is to be added to the "total bail" of the offense eligible for traffic violator school diversion.

### **Sample Calculation Of Traffic Violator's School Penalty**

1. Violation of Vehicle Code sections 22349(~~20~~ 20 mph over limit) 21703, and 24407.
2. No prior convictions are charged.
3. "Additional penalties" of \$17 for every \$10 of fine or portion thereof.

AOC "Total Bail"

22349a VC = \$135

21703 VC = \$103

24407 VC = \$ 76

TOTAL = \$314

4. The defendant is ordered to attend traffic violator school; 22349a V.C. and 21703 V.C. are eligible sections. The defendant is charged for the greater/more severe of the offenses:

22349a V.C. @ \$135 plus the \$24 TVS fee per 42007.1 VC (total of \$159).

5. The charge of 21703 V.C. is dismissed.

The defendant presents to the court timely evidence that he/she has completed traffic violator school.

The defendant submits to the court timely evidence that the violation of 24407 V.C. has been corrected.

The 24407 V.C. violation is dismissed and a \$10 "Transaction Fee" is charged.

6. The case is closed with the court collecting \$169.

## IX. Late Charge

Assembly Bill 1344 (Isenberg) Chapter 696, effective September 15, 1992, amends Vehicle Code section 40310 to require the imposition of a Late Charge of 50 per cent on any traffic penalties not paid within 20 days. The 20 days shall be counted from the mailing of a notice that the penalty has been assessed.

The initial penalty is comprised of the base fine, an enhancement for prior convictions (if any), and state and county additional penalties (Penal Code section 1464 and Government Code section 76000).

### Sample Calculation Of Late Penalty

1. Base Fine	\$ 25.00
2. Enhancement For One Prior Conviction	<u>\$ 10.00</u>
Enhanced Base Fine	\$ 35.00
3. Additional Penalties (P.C. 1464 & G.C. 76000)	
(\$17.00 X 4)	<u>+\$ 68.00</u>
Initial Penalty	\$103.00
4. Night Court Assessment (V.C. 42006)	+ \$ 1.00
5. Administrative Assessment for Maintaining	
a Record of Priors (V.C. 40508.6)	<u>+\$ 10.00</u>
Total Due	\$114.00
6. Late Charge (V.C. 40310)	
[50% of Initial Penalty <u>rounded off to nearest dollar</u> ]	<u>+ \$ 52.00</u>
Total Due	\$166.00

## **X. Offenses Eligible For Correction**

An asterisk denotes those offenses eligible for correction if none of the disqualifying conditions of Vehicle Code section 40610(b) exist. Those disqualifying conditions are:

- 1) evidence of fraud or persistent neglect;
- 2) the violation represents an immediate safety hazard;
- 3) the violator does not agree to or cannot promptly correct the violation.

Vehicle Code section 40611 authorizes courts to collect a \$10 transaction fee for each proof of correction case. The \$10 transaction fee is added to the "Total Bail/Penalty" amount.

**In cases alleging violation of Vehicle Code section 4000(a), Vehicle Code section 40152 requires that proof of registration be produced in court before the offense can be adjudicated.**

## **XI. Parking Violations**

Assembly Bill 408 (Epple)--Chapter 1244, effective January 1, 1993, revised and recast the procedures for processing and adjudicating parking law offenses. The bill required courts to transfer the processing of parking offenses to issuing agencies not later than January 1, 1994. Consequently, the parking violations have been removed from the Uniform Bail and Penalty Schedules.

Vehicle Code section 463 defines "park" or "parking" as the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in the loading or unloading of merchandise or passengers.
